About Institute

Bhagwan Parshuram Institute of Technology, Delhi was established by the Bhartiya Brahmin Charitable Trust in 2007 with the aim to impart value-based education and to prepare the most competent and ingenious technocrats and leaders of the country.

BPIT as an 'A' grade institute of GGSIPU offers courses of Bachelor of Technology (B.Tech) and Master of Business Administration (MBA), which are approved by the All India Council of Technical Education (AICTE). It also offers a three-year full-time Bachelor of Business Administration (BBA) to set the foundation for future executives. The Institute is ranked between a bracket of 251-300 in NIRF ranking 2021 among all engineering institutes in India.

Vision

To produce technologically competent, morally & emotionally strong and ethically sound professionals who excel in their chosen field, practice commitment to their profession and dedicate themselves to the service of mankind.

Mission

To develop world class Laboratories and other Infrastructure conducive in acquiring latest knowledge and expertise. To bridge the knowledge and competency gaps of institute's fresh pass-outs field requirements.

Organising Committee

Chief Patron:

Shri Vinod Vats
Hon'ble Chairman

Patron:

Prof. Payal Pahwa
Hon'ble Principal

Convenors:

Prof. Abhishek Swaroop
Dr. Rachna Jain

Co-Convenors:

Dr. Ritu Gupta
Dr. Shailendra Gaur
Dr. Pooja Mudgil

Registration Details:

Per Person : Rs. 500

Registration Link:

LAST DATE OF REGISTRATION:

25th March, 2024

About FDP

Discover the Future: Join us at BPIT for an immersive Faculty Development Program (FDP) on "Research Trends in Recent Technologies: Computational Intelligence & Cyber Security" From April 1st to April 5th, 2024, dive deep into the world of Computational Intelligence, and Cyber Security.

Unleash Potential: Explore the latest advancements in AI and ML, unraveling the mysteries of computational intelligence. Delve into the realm of cyber security, safeguarding against digital threats and protecting data integrity.

Empowering Educators: Our FDP offers hands-on experiences, expert-led sessions, and cutting-edge simulations to empower faculty members with the knowledge and skills needed to educate and inspire the next generation of AI and cyber security experts.

Department of Information Technology

The importance of Information Technology in the world is increasing at a very fast speed. Today, there is hardly any person whose life is not touched by Information Technology. Today, the amount of information being generated is huge and managing this is a big challenge for human kind due to which there is a large demand for qualified IT professionals. The Information Technology department is part of BPIT since its inception. The department offers B.Tech. Information Technology Program with an annual intake of 180 students. We focus on practical aspects of information technology along with the theoretical concepts. B.Tech. Information Technology program of this department is accredited from National Board of Accreditation (NBA).

IT Department:

Vision

To emerge as a centre of excellence producing globally competent and morally sound professionals in the field of Information Technology who will practice commitment to their profession and dedicate themselves to the service of mankind.

Mission

- To develop state-of-art laboratories providing relevant practical inputs to students.
- To provide strong knowledge base to students in the area of Information Technology and to train them as per the requirement of industries and research organizations.

SPEAKERS

- Prof. A.K.Mohapatra , Professor , HOD-IT, IGDTUW, Delhi
- Prof. Srinivasa K G, Professor , Dean(R&I), HOD-DSAI, IIIT- Naya Raipur
- Prof. Archana Singh , Professor , HOD-AI, Amity University, Noida
- Prof. Anand Nayyar , Professor , Duy Tan University, Vietnam
- Dr. Deepak Kumar Jain, Associate Professor, Dalian University of Technology, Dalian
- Dr. Gurpreet Singh , Associate Professor COC, Placement Dept. -CSE,LPU, Punjab
- Dr. Sarfaraz Masood , Associate Professor, Jamia Millia Islamia, Delhi
- Dr. Ashish Gupta , Associate Professor, Bennett University, Greater Noida
- Dr. Pritee Parwekar , Associate Professor, SRM University, Modinagar
- Dr. Meenu , Associate Professor , Chandigarh University

Important Information

DELIVERY MODE

FDP will be conducted in Hybrid (Online/Offline) mode. Online participants must have Laptop/Desktop with good internet connectivity. MS-Teams/Google Meet.

CERTIFICATE

Certificates will be awarded to the participants having more than 75% attendance.
