MESSAGE FROM THE MANAGEMENT

It is a moment of great pride for everyone that the Bachelor of Business Administration department of Bhagwan Parshuram Institute of Technology, New Delhi, successfully organized its 4th International Conference on *"Energy and Sustainability: Tackling the Global Climate Challenge"* on Thursday, December 5th, 2024.

The conference brought together delegates from various universities, fostering insightful discussions on sustainability as a cornerstone for global survival. The primary objective of this prestigious event was to address the intricate and interconnected nature of environmental, economic, and social systems, while exploring solutions for the challenges they face.

Additionally, the conference aimed to identify potential roadblocks to innovative business practices and encourage collaborative efforts to overcome them. By inspiring action, sharing knowledge, and building partnerships, the event played a pivotal role in advancing sustainable practices to ensure the long-term health and viability of our ecological, economic, and social systems.

My heartfelt congratulations and best wishes go out to the organizing team for their dedication and success in hosting such a meaningful and impactful event.

Shri Vinod Vats
(Chairman, BPIT)

MESSAGE FROM THE PRINCIPAL

Bhagwan Parshuram Institute of Technology has always been at the forefront of excellence, providing a value-based education in a dynamic environment that empowers its students. It is a matter of immense pride that the institute continues to achieve greater milestones with each passing day.

In line with this vision, the Bachelor of Business Administration department successfully organized its 4th International Conference on *"Energy and Sustainability: Tackling the Global Climate Challenge"* on December 5th, 2024.

The event emphasized the critical need for businesses worldwide to strike a balance between current economic demands and the needs of future generations, aligning with the objectives of sustainable development. Such initiatives are vital in accelerating economic growth while fostering sustainable practices.

I hope this conference inspired meaningful discussions, encouraged the collective development of sustainable business models, and left a lasting impact on all participants. Congratulations to the entire team for this achievement, and best wishes for many more impactful events in the future.

Prof. Payal Pahwa
(Principal, BPIT)

MESSAGE FROM THE DIRECTOR

It is with immense pride and great pleasure that I congratulate the convenor and the entire team of students and faculty of the Bachelor of Business Administration department for organizing the 4th International Conference on "Energy and Sustainability: Tackling the Global Climate Challenge," scheduled for December 5, 2024.

This prestigious event not only reflects the academic excellence and collaborative spirit of our institution but also underscores the crucial role that young minds play in addressing the pressing issues of our time. The theme of this conference resonates deeply with the global mission of sustainability and the urgent need to combat climate change.

Bringing together participants from diverse institutions, including renowned professors, researchers, and students, this platform provides a unique opportunity for knowledge exchange, innovative thinking, and impactful discussions. Such events foster a culture of learning and inspire actionable solutions for the betterment of society.

Sh. S N Jha
(Retired IAS, Director Administration, BPIT)

MESSAGE FROM THE HEAD OF R&D

On behalf of the Research and Development Society, I extend my heartfelt congratulations to the convenor and the entire organizing team of the Bachelor of Business Administration Department for successfully hosting the 4th International Conference on "Energy and Sustainability: Tackling the Global Climate Challenge."

This conference marks a significant milestone for our institute, bringing together scholars, professors, and thought leaders from various institutions to address one of the most critical issues of our time. It is a moment of immense pride for us to witness the dedication and efforts of our students and faculty in fostering a platform for global collaboration and innovation.

To the students who have worked tirelessly behind the scenes, your commitment and passion are truly commendable. Such initiatives not only enrich academic discourse but also highlight the incredible potential of young minds to drive sustainable solutions for the future.

I am confident that this conference will inspire meaningful discussions, generate actionable insights, and contribute to the global narrative on sustainability. Let us continue to work together, pushing the boundaries of research and innovation to create a better tomorrow.

Prof. Deepika Sandil
(Head of Research and Development Cell, BPIT)

MESSAGE FROM THE CONFERENCE CHAIR

It's my pleasure to welcome you all to the 4th International Conference, where we're coming together to explore and champion sustainability in business.

At BPIT, we recognize that our journey towards sustainability is not just a corporate initiative but a collective responsibility. This event marks a significant step in our commitment to integrating environmental stewardship, social responsibility, and ethical governance into our business practices.

The 4th international conference on "Energy and Sustainability: Tackling the Global Climate Challenge" was organized with the same intent. The 4th international conference is the outcome of the strong vision and support of the management and the teamwork as well as the research-oriented zest of the team of Bachelor of Business Administration, SBA, BPIT.

I take this opportunity to extend my heartfelt thanks to the Management, Principal, Director, Head of Research and Development cell and the Faculty Members for their invaluable support. I also thank all the participants for their quality contributions in the form of research papers.

Prof. Sundram Priyadarshnie
(Head, BBA and Conference Chair)

MESSAGE FROM THE SESSION CHAIRS
