Action Taken on the feedback received from faculty members

- (1) A MoU with NIT Delhi has been signed to enhance academic and research activities in the institute.
- (2) The research and development promotion policy has been revised to encourage faculty members and students to do good quality research.
- (3) The Lift No – 4 is not in the condition to repair. Therefore, Lift No – 4 is being replaced by new lift.
- (4) A total of 32 new air conditioners have been installed.

(Principal)

Dated: 13th August, 2025

Memorandum of Understanding (MoU)
Between
Bhagwan Parshuram Institute of Technology (BPIT) Delhi
And
National Institute of Technology (NIT), Delhi

This Memorandum of Understanding (MoU) is made and entered into by and between **Bhagwan Parshuram Institute of Technology (BPIT), Rohini, Delhi** and **National Institute of Technology (NIT), Delhi**, collectively referred to as the "Institutions," with the intent of promoting academic and research collaboration.

Purpose

The purpose of this MoU is to foster a collaborative framework between BPIT and NIT Delhi to promote academic cooperation, exchange of knowledge, and research in fields of mutual interest.

Areas of Collaboration

The Institutions agree to cooperate in the following areas:

1. Exchange of Information

Cooperate in the exchange of information relating to activities in research fields of mutual interest.

2. Joint Research and Consultancy

Promote appropriate joint research projects and consultancy activities, especially in the context of nationally and internationally funded projects.

3. Joint Supervision of Research Scholars

Facilitate joint supervision of Postgraduate and Ph.D. students from both institutions.

4. Ph.D. Opportunities

Allow faculty members/staff of BPIT to pursue Ph.D. programs at NIT Delhi, in accordance with NIT Delhi's applicable rules and regulations.

5. Sharing of Infrastructure

Share infrastructure facilities, including laboratories and library (during free slots), for the benefit of students and faculty members from both institutions.

6. Academic Events and Training

Organize expert lectures, practical training programs, and workshops involving faculty, staff, and students from both institutions for B.Tech, M.Tech, and Ph.D. students.

7. Conferences and Short-Term Courses

Jointly conduct conferences, seminars, workshops, and short-term courses on topics of mutual interest, with prior mutual written consent.

8. Laboratory and Product Development Support

Provide mutual guidance and technical support in laboratory projects and product development initiatives.

9. Support for Innovation and Entrepreneurship

Collaborate on innovative projects and activities related to innovation, entrepreneurship, IPR, and other research domains for the benefit of students and faculty.

10. Industry Collaboration

Work jointly towards collaborations with industry partners to solve real-life industrial problems.

11. On Duty Status

Faculty involved in collaborative activities under this MoU will be considered "on duty" during visits to the collaborating institution.

Review and Duration

- The collaboration under this MoU shall be subject to periodic review by both institutions to assess the progress and effectiveness of the cooperation.
- This MoU shall remain in effect for a period of **Three (3) years** from the date of signing and may be renewed upon mutual agreement.

General Terms

- This MoU represents a statement of mutual intent and does not constitute a legally binding obligation.
- Any specific projects or activities resulting from this MoU will be detailed in separate agreements or written communication, as required.
- The day-to-day implementation of this MOU will be coordinated by **Prof. Deepika Sandil, Applied Science Department, BPIT, Delhi** and **Prof. Anurag Singh, CSE Department, NIT Delhi**. The coordinators, thus appointed, will periodically review and identify ways to strengthen cooperation between the two institutions.
- Either institution may terminate the MOU by giving written notice to the other institution six months in advance. Once the MOU is terminated, neither **NIT, Delhi** nor **BPIT, Delhi** will be responsible for any losses, financial or otherwise, which the other institution may suffer. However, **NIT, Delhi** and **BPIT, Delhi** will ensure that all activities that are in progress are allowed to complete successfully.
- Should there be a dispute relating to any aspect of academic and research cooperation, Director, **NIT, Delhi** and Principal, **BPIT, Delhi** will jointly resolve the dispute in a spirit of independence, mutual respect and shared responsibility.
- This MOU is signed subject to approval of the respective academic/ administrative bodies.

Subject: Employment Enhancement Demo Program
To: <deanacademic@bpitindia.com>

Dear Students,

We are excited to announce a FREE 5-Day Demo Program for our Employment Enhancement Program, in collaboration with Zenith Education Services Private Limited (ZESPL).

This demo program will equip you with essential Aptitude and Technical Skills, crucial for placement exams, corporate interviews, and competitive assessments.

Program Highlights:

1. **Master Core Concepts:** Gain in-depth knowledge of Aptitude & Technical Skills.
2. **Think Faster & Smarter:** Learn powerful shortcuts, tricks, and strategies.
3. **Increase Career Opportunities:** Build a strong foundation for CAT and other competitive exams.
4. **Learn from Industry Experts:** Gain insights from highly experienced trainers.
5. **Get Certified:** Receive a certificate of completion with 75% attendance.

What's Next?

If you enjoy this demo program, you'll have the opportunity to join our Comprehensive Employment Enhancement Program, which includes:

- In-depth training and mentorship
- Personalized feedback and guidance
- Unparalleled material and books for practice
- Regular assessments and feedback

Don't miss this chance to experience our program and take the first step towards enhancing your employability!

Regards,

Sunil Palia

MEMORANDUM OF UNDERSTANDING (MoU)

This Memorandum of Understanding (MoU) is made and entered into on this 28 day of July, 2025,

BETWEEN

Zenith Education Solutions Pvt. Ltd. (ZESPL), a leading organization specializing in assessment and training services, having its corporate office at 402 Jackson Crowne Heights, Sector 10, Rohini, Delhi, hereinafter referred to as "ZESPL" or "First Party" (which expression shall, unless repugnant to the context, include its successors and assigns).

AND

Bhagwan Parshuram Institute of Technology (BPIT), New Delhi, a distinguished institute committed to delivering quality education and shaping the future of its students, hereinafter referred to as "BPIT" or "Second Party" (which expression shall, unless repugnant to the context, include its successors and assigns).

1. Purpose

The purpose of this MoU is to establish best practices in industry-led education across both technical and management disciplines. This collaboration aims to foster a sustainable ecosystem that promotes academic excellence and enhances corporate employability of students.

2. Roles and Responsibilities

2.1 Responsibilities of ZESPL (Knowledge Partner)

- Provide certification to students successfully completing training programs.
- Facilitate regular industry interactions to align students' skills with current industry standards.
- Provide qualified and experienced trainers for the delivery of training programs.
- Organize industry speaker sessions and guest lectures by professionals from technology and management domains.
- Support implementation of live projects by providing mentorship, technical guidance, and sponsorship where feasible.
- Offer training and supervision in emerging technologies and global industry trends, enabling BPIT to build long-term competencies.

2.2 Responsibilities of BPIT

- Provide necessary infrastructure and facilities to conduct training programs, seminars, and workshops.
- Facilitate student participation in training, projects, and industry interactions.
- Coordinate with ZESPL for smooth execution of all agreed deliverables.

3. Summer Training Program 2025

The following courses will be conducted under the Summer Training Program 2025 as part of this MoU:

1. Aptitude Enhancement

- Objective: To improve students' quantitative, logical, and verbal reasoning skills, enhancing their performance in placement drives and competitive exams.

2. Data Structure and Algorithms

- Objective: To strengthen students' problem-solving abilities and coding efficiency, preparing them for technical interviews and advanced computing roles.

4. Duration & Termination

This MoU shall remain valid for a period of [3 year/36 months] from the date of signing unless terminated earlier by either party with 30 days' prior written notice.
