Subject: Compliance Report of the Academic Audit Committee 2024-25.

Dear Madam,

Thank you for your insightful observations and recommendations presented during the recent Academic Audit Committee meeting. Your valuable insights are appreciated, and we are committed to implementing the necessary actions for the improvement of our academic environment. The pointwise reply of the deficiencies identified by the academic audit committee 2024-25 is as follows:

1. NAAC Accreditation needs to be completed.

During the AY 2023-24, the institute was preparing for the 2nd Cycle of the NBA Accreditation of three Branches CSE, ECE and EEE. The institute got the NBA Accreditation of CSE, ECE and EEE Branches in May 2024. After the NBA Accreditation, the institute has already started for the preparation of NAAC Accreditation and constituted a committee for the same to expedite the NAAC Accreditation Process (committee formation order attached). It is further also stated that since July 2024, the registration for NAAC Accreditation is on hold. We are waiting for the new guidelines and opening of the registration process to apply for NAAC Accreditation.

2. Cadre Ratio needs to be improved as per norms.

The Institute acknowledges the observation regarding improvement of the cadre ratio as per the prescribed norms. At present, the cadre ratio is being reviewed in accordance with the applicable norms. Necessary steps have already been initiated to address this requirement. The institute has already advertised the faculty positions (copy of the advertisement is attached). Subsequently, a total of 47 candidates were called for the interviews for the various faculty positions out of which 22 candidates attended the interview on 06.01.2026 and 13.01.2026. However, no candidate was found suitable for the post of Professor and Associate Professor. The next round of the interviews is scheduled in the last week of the February 2026.

3. Number of book titles in the library for BBA should be increased.

The Institute has taken note of the observation regarding enhancement of book titles for the BBA programme in the library. As suggested, the institute has procured the new titles of the books in the library. However, 55 book titles were recently ordered to the distributor (copy of the purchase order is attached).

Thanks and Regards
