Office Order

Mr. Puneet Kumar Dixit working as Assistant Professor in the Department Electrical & Electronics Engineering since 31-07-2017 is granted permission to pursue Ph. D. (Part Time) Programme from DTU, Delhi as per the following terms and conditions of the Institute, for which he has agreed in his application dated 17-07-2023.

1. He will ensure that his teaching and allied duties in the institute will not suffer, because of his joining the higher studies.
2. He will give priority to his duties in the institute over his studies.
3. He will give duly certified bond for not leaving the institute till the completion of course and serve the institute after the completion of studies for a period equivalent to time taken for the completion of studies or decided by the institute, at the time of joining the study programme.
4. Once permitted to pursue higher studies and joins the programme, he will not leave the programme before completing.
5. He shall try to complete the programme of higher studies in the given time.
6. In case, he resigns from BPIT, during the middle of higher studies, the institute may inform the university/institute to cancel his registration for the higher studies.
7. He will submit the duly certified copy of the time table of the department highlighting the dates and time of his classes in the beginning of each term (trimester/semester)
8. He will submit the duly certified date sheets of each examination well in time.
9. Time to time, he will provide the progress report of study including the results of each examination.
10. He will abide with the rules and regulations of the institute including related to the grant of permission of higher studies.

Bhagwan Parshuram Institute of Technology

Application for seeking permission to pursue higher studies

The General Secretary,
BPIT

I have been serving in this institute as Assistant Prof. ...since July 17th, 2025, and thus have completed 0.6 years of service in BPIT.

My performance till this date has remained satisfactory/good/excellent as per the result of the courses, which I have taught. Therefore, Kindly grant me permission to pursue higher studies: M.Tech./M.Sc./MBA/Ph.D. at...N.I.T. Delhi.....as a full time/part time/weekend program student (retain only the relevant).

The duration of said program of studies will be.....4.....years.

In case, I am granted permission to pursue the above mentioned studies, I give undertaking to comply the followings:

1. My teaching and allied duties in the institute will not suffer, because of joining the higher studies. I will also give priority to my duties in the institute over my studies.
2. I will give duly certified bond for not leaving the institute till the completion of course and serve the institute after the completion of studies for a period equivalent to time taken for the completion of studies or decided by the institute, before joining the study program.
3. If permitted to pursue higher studies, I will not leave the program applied before completing. I shall also try to complete the program of higher studies in the given time.
4. In case, I resign from BPIT, during the middle of higher studies, the institute may inform the university/institute to cancel my registration for the higher studies.
5. I will submit the duly certified copy of the time table of the department highlighting the dates and time of my classes in the beginning of each term (trimester/semester) and submit the duly certified date sheets of each examination well in time.
6. Time to time, I will provide the progress report of studies including the results of each examination.
7. I will abide with the rules and regulations of the institute including related to the grant of permission for higher studies.
8. In my all publications and patents, which emerge out of studies, I will acknowledge BPIT. I will also show my affiliation with BPIT by the mentioning the name and address of BPIT along with my name on the publication as well as Patent/ Innovation (if any comes out).

Ref. No. Principal/NOC/Academic/BPIT/2095 Dated: 17th February, 2025

To Whom It May Concern

No Objection Certificate (NOC) for Pursuing Ph.D. on a Part-Time Basis

This is to certify that Ms. Nikita Bhardwaj, a faculty member at Bhagwan Parshuram Institute of Technology (BPIT), has been granted permission to pursue her Ph.D. in English from Amity University, Noida, on a part-time basis.

The institute has no objection to her enrollment in the Ph.D. program, provided that it does not interfere with her official duties and responsibilities at BPIT. She will be required to fulfill her academic and administrative obligations as per the norms of the institute.

This NOC is issued upon her request for submission to Amity University, Noida.

To,

The Principal,
Bhagwan Parshuram Institute of Technology (BPIT),
New Delhi.

Subject: Request for Permission to Attend PhD Course Work Classes.

I, Anju Kaushik, Assistant Professor in the Department of Computer science at BPIT, humbly request your permission to attend my PhD course work classes scheduled on Wednesday and Friday during the first half of the day for one year till May-2026.

As I am pursuing my PhD, attending these classes is essential for completing the coursework component of my doctoral program. The timings of these classes do not conflict with my teaching schedule or other official responsibilities at BPIT, ensuring that my academic duties and commitments to the institute remain unaffected.

I assure you that pursuing this PhD will enhance my academic and research capabilities, contributing positively to the growth and development of BPIT. I am committed to fulfilling all my responsibilities as an Assistant Professor without any compromise.

Kindly consider my request and grant me permission to attend these classes on Wednesday and Friday mornings. I am available to provide any additional information if required.

Thank you for your understanding and support.

Sincerely,

(Anju Kaushik)
Assistant Professor
CSE Department

Subject: Request for issuing Experience Letter and NOC for Pursuing PhD from IGDTUW

Respected Sir/Madam,

I am writing to request an experience letter and a No Objection Certificate (NOC) from your esteemed institution. I am currently working as Assistant professor in Computer science Department and have been associated with the institution for 2 years.

I intend to pursue a PhD program at Indira Gandhi Delhi Technical University for Women (IGDTUW) and require these documents for the admission process. I need to go twice a week for course work. for which I'll adjust classes.

I would be grateful if you could provide me with the experience letter and NOC at your earliest convenience.

Thank you for considering my request.

Sincerely,

Anju kaushik

Office Order

Mr. Daramvir Dixit working as Assistant Professor in the Department of Mechanical Engineering since 27-04-2022 is granted permission to pursue Ph. D. (Part Time) Programme from DTU, Delhi as per the following terms and conditions of the Institute, for which he has agreed in his application dated 19-12-2023.

1. He will ensure that his teaching and allied duties in the institute will not suffer, because of his joining the higher studies.
2. He will give priority to his duties in the institute over his studies.
3. He will give duly certified bond for not leaving the institute till the completion of course and serve the institute after the completion of studies for a period equivalent to time taken for the completion of studies or decided by the institute, at the time of joining the study programme.
4. Once permitted to pursue higher studies and joins the programme, he will not leave the programme before completing.
5. He shall try to complete the programme of higher studies in the given time.
6. In case, he resigns from BPIT, during the middle of higher studies, the institute may inform the university/institute to cancel his registration for the higher studies.
7. He will submit the duly certified copy of the time table of the department highlighting the dates and time of his classes in the beginning of each term (trimester/semester)
8. He will submit the duly certified date sheets of each examination well in time.
9. Time to time, he will provide the progress report of study including the results of each examination.
10. He will abide with the rules and regulations of the institute including related to the grant of permission of higher studies.

No Objection Certificate

The undersigned is pleased to permit Mr. Dharamvir Dixit, who is working in this organization for the last one year and eight months and is presently holding the position of Assistant Professor, for pursuing the Ph.D. (Part-time) Programme at Delhi Technological University, Delhi with specialization in the following areas.

1. Manufacturing 2. Material Science.

To the best of my knowledge and belief Mr. Dharamvir Dixit bears a good moral character.

If selected for admission, the candidate will be permitted and granted leave of absence to be present at the Delhi Technological University, as required by the academic schedule to attend classes/research work. He will continue to remain in service of this organization for the entire duration of the course, if he submit a bond to serve the institute after finishing. The Ph.D. program as per the norms in BPIT.

Ref. No. Principal/NOC/Academic/BPIT/2095 Dated: 17th February, 2025

To Whom It May Concern

No Objection Certificate (NOC) for Pursuing Ph.D. on a Part-Time Basis

This is to certify that Ms. Nikita Bhardwaj, a faculty member at Bhagwan Parshuram Institute of Technology (BPIT), has been granted permission to pursue her Ph.D. in English from Amity University, Noida, on a part-time basis.

The institute has no objection to her enrollment in the Ph.D. program, provided that it does not interfere with her official duties and responsibilities at BPIT. She will be required to fulfill her academic and administrative obligations as per the norms of the institute.

This NOC is issued upon her request for submission to Amity University, Noida.

MASTER-DRAFT

Bhagwan Parshuram Institute of Technology

Application for seeking permission to pursue higher studies

Date:- 13/02/2025

The Chairman,
BPIT

I have been serving in this institute as Assistant Professor since May, 2023 and thus have completed.....years of service in BPIT. My performance till this date has remained satisfactory/good/excellent as per the result of the courses, which I have taught. I request to grant me permission to pursue higher studies: M.Tech./M.Sc./MBA/M.Lib./Ph.D. at.....Amity University, NOIDA as a full time/part time/weekend program student (retain only the relevant).

The duration of said program of studies will be.....3.6.....years.

In case, I am granted permission to pursue the above mentioned studies, I give undertaking to comply the followings:

1. My teaching and allied duties in the institute will not suffer, because of joining the higher studies. I will also give priority to my duties in the institute over my studies.
2. I will abide with the rules and regulations of the institute including related to the grant of permission for higher studies.
3. I will give duly certified bond for not leaving the institute till the completion of course and serve the institute after the completion of studies for a period equivalent to time taken for the completion of studies or decided by the institute, before joining the study program.
4. In my thesis, all the publications and patents, which emerge out of my studies, I will acknowledge BPIT including depicting my affiliation with BPIT by the mentioning the name and address of BPIT along with my name.
5. I will not leave the study program applied before completing and shall also try to complete in the given time.
6. In case, I resign from BPIT during the middle of higher studies, the institute may inform the university/institute to cancel my registration for the higher studies.
7. I will submit the duly certified copy of the time table of the department highlighting the dates and time of my classes in the beginning of each term (trimester/semester) and submit the duly certified date sheets of each examination well in time.
8. Time to time, I will provide the progress report of studies including the results of each examination.
